

Undergraduate Research & Mentoring (URM) Program

Funding for students beginning their second year or transferring to UW-Madison in Fall 2009

If you are interested in...

- majoring in a science, technology, engineering or mathematics (STEM) field
- getting paid to do interdisciplinary research that is connected to biology
- joining a supportive learning community of peers with similar interests
- developing your leadership skills and exploring a career in research

...then the URM program is for you!

TO LEARN MORE AND GET AN APPLICATION VISIT:

[HTTP://WWW.WISC.EDU/CBE/URM](http://www.wisc.edu/cbe/urm)

INFORMATION SESSION WITH CURRENT URM FELLOWS:

WEDNESDAY, FEBRUARY 25 AT 3:30-4:30 PM IN RM 110, 445 HENRY MALL

APPLICATION DEADLINE: MARCH 2, 2009

Eligibility: Applicants must be U.S. citizens or permanent residents with at least a 2.8 G.P.A.. Selection is based on interest in pursuing a career in science, technology, engineering or math (STEM) research that is connected to biology, essay responses, and an interview.

Note: Students who are African-American, Hispanic, Native-American, Southeast Asian, Native Alaskan or Native Pacific Islander; OR from low-income homes and the first in their family to attend college; OR have a documented disability are strongly encouraged to apply.
